they walk beside us every day.  
Unseen, unheard, but always near,  
so loved, so missed, so very dear."

# Memory Trees

## The touching way to remember a loved one.

We have two very special, handcrafted Memory Trees, which can be found at both Mount Edgcumbe Hospice in St Austell and St Julia's Hospice in Hayle. The trees stand in beautiful, reflective spaces and are decorated with unique copper and brass handmade leaves that have been engraved with the names of loved ones who are no longer with us.

The design is inspired by the mighty oak tree – a symbol of courage and power.

The tree's leaves grow more and more each year at our hospices, representing the love that continues to grow for the ones we have lost.

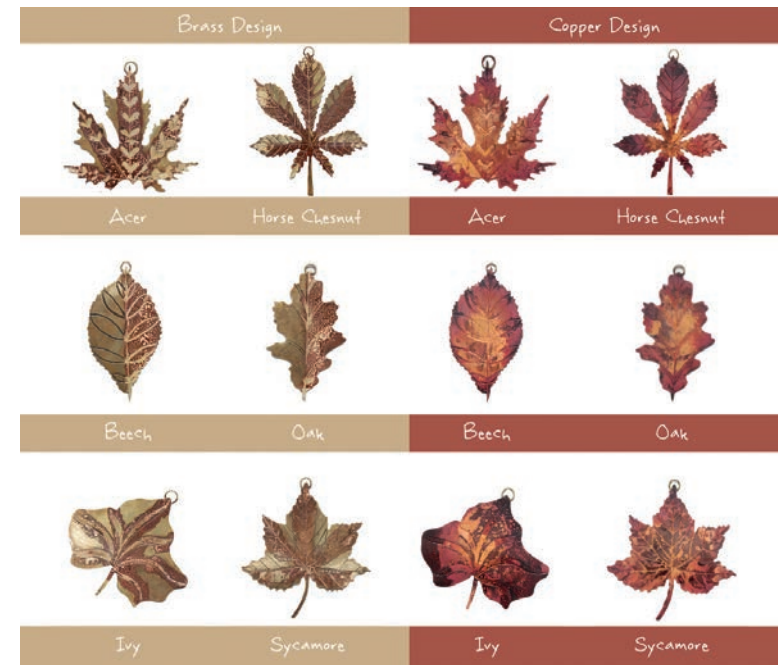

The leaves are also very special to us because the donations that are made on the creation and renewal, allow us to continue providing peace, comfort and calm when someone is nearing the end of their life. There are six designs to choose from.

Your loved ones name is then engraved onto a copper tag that hangs with the leaf.

Your leaf, which can be ordered for a kind donation of £100 (or £9 by monthly direct debit) will hang proudly on your chosen tree for a year, after that time you may choose to renew this, or your leaf can be returned to you in a presentation box to treasure forever.

You can order your special leaf online by visiting: [www.cornwallhospicecare.co.uk/memorytree](http://www.cornwallhospicecare.co.uk/memorytree).

If you would like more information about our Memory Trees, get in touch with our team via email on [inmemory@cornwallhospice.co.uk](mailto:inmemory@cornwallhospice.co.uk) or call 01726 66868 (option 3).

## Forever Star Tribute Funds

---

### A special place filled with treasured memories.

Forever Star Tribute Funds are a personal online space where you can remember your loved one.

They are particularly special as they can be shared with family, friends, and colleagues anywhere in the world, in real time.

Your page will become a beautiful space where people can share a treasured memory, photographs and videos. You can also announce funeral arrangements, mark special occasions, such as a birthday or anniversary, and light candles to make the space feel even more special - all whilst supporting our hospices in your loved ones honour.

If you would like to create a Forever Star Tribute Fund, visit our website:

## Funeral donations

---

### Asking for donations instead of flowers at a loved one's funeral is a meaningful way of honouring their memory.

We have dedicated funeral collection envelopes available, to make your attendees donations as simple as possible.

Using our envelopes also allows us to claim Gift Aid on each donation, making your gift go even further at no extra cost to you. For every £1 donated, we can get an extra 25p extra to go towards patient care.

We will ensure these get to you in plenty of time. You can request these via our online form:

Our supporters have never been short of amazing ideas, from the usual to the extraordinary and all in the name of funding our care. A lot of these wonderful individuals and groups decide to do their fundraising in memory of a loved one.

## Light Up A Life

---

Light Up A Life is our annual service dedicated to remembering loved ones who are no longer with us. It is a wonderful way to come together and remember, in their honour.

Truro Cathedral is bathed in a sea of light with a candle lit for each and every person we are remembering. During the moving service our loved one's names are projected against a special film of remembrance.

Dedications of your loved one's name are also published in our Books of Remembrance that will be on display at Truro Cathedral, Mount Edgcumbe Hospice, St Julia's Hospice and available online.

If you would like us to email you about our Light Up A Life services, please email [fundraising@cornwallhospice.co.uk](mailto:fundraising@cornwallhospice.co.uk) to be added to our mailing list.

## Leave a gift in your Will

---

**Gifts in Wills allow our nurses to give patients and their families peace, comfort and calm when someone is nearing the end of their life.**

“I cannot thank the hospice team enough for all the love and care they gave to my darling wife. Her last days were filled with happiness, the change in her from the moment she entered the hospice was better than I could have ever hoped for. I will cherish that memory forever. Once again, thank you from the bottom of my heart.”

**Two in five of our patients are cared for thanks to the very special people who leave us a gift in their Will.**

By leaving a gift in your Will to Cornwall Hospice Care, you become a Guardian of our Future and help make every day matter.
