

Instructions for Parents & Pupils

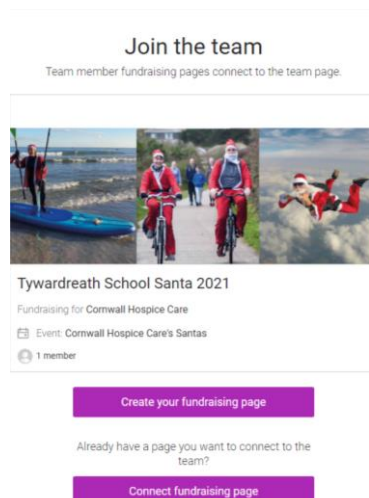

How to set up your fundraising page and attach to the School's JustGiving Team

These instructions will show you how to create an individual JustGiving page, whilst adding your total to the schools fundraising page! Which Cornish School will raise the most in 2024?!

If you haven't used JustGiving before, its very simple and easy. We advise setting up a log in first and then use the link your school has sent you to invite you to their page:

Click 'Accept'

At this point you can set up your fundraising page, or link one if you've already set it up.

When setting up your page you will need to set a target and decide on a name for your individual page. Then click the continue button.

This event is Gift Aid eligible, so please consider selecting **YES** when prompted – Gift Aid is worth 25p for every £1 donated and it doesn't cost you anything.

Once you have agreed to the T's & C's you can 'Create Your Page'.

If your school haven't made a JustGiving team, but you would still like an individual one for your fundraising then you can sign up to our Reindeer Roundup campaign here: [Reindeer Roundup! - JustGiving](#)

Thank you for taking the time to set up a JustGiving page, and for fundraising for our Cornish Charity. Every time you share your JustGiving page via social media it can be worth an average of £24 which equates to an hour of specialist nursing care in one of our hospices. Together let's help provide peace, comfort and calm for a patient and their family spending Christmas together - join us and be the difference for all those families and let's see many hours can your school fund this Christmas.

If you have any questions, feel free to get in touch with me on jhugo@cornwallhospice.co.uk or 01726 66868 (opt 3).

With best wishes for a lovely Christmas Season,

Jade Hugo
