

JustGiving for schools

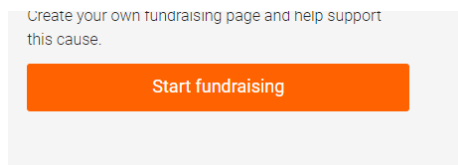

Setting up a Team fundraising page is a great way of connecting your schools fundraising to our festive Reindeer Roundup Campaign. It means that you can see how much your school has raised and how individual fundraisers are getting on, plus JustGiving pay the money directly to Cornwall Hospice Care, so it's less work for you!

If you don't already have a JustGiving log in, it's probably best to set this up first then use this link please to go directly to our Reindeer Roundup Campaign:

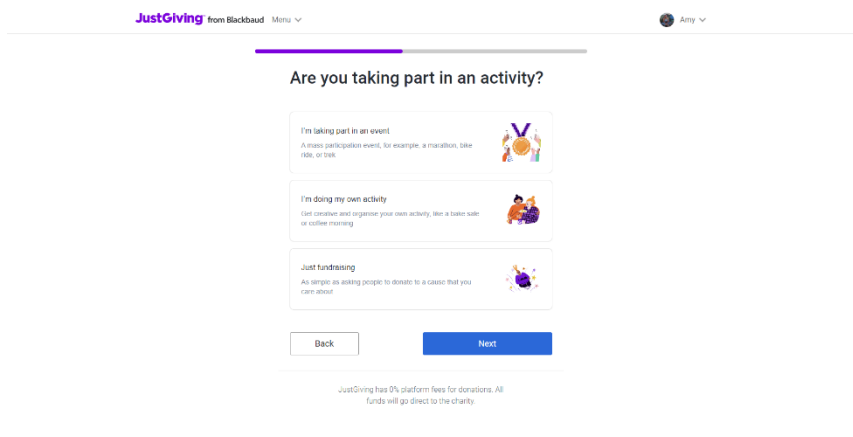

[Reindeer Roundup! - JustGiving](#) which looks like this:

Click on the orange 'Start Fundraising' button

Which takes you to this page:

Select 'I'm doing my own activity' and then fill in these details:

The screenshot shows the JustGiving 'Tell us more about your activity' form. At the top, it says 'JustGiving from Blackbaud' and 'Menu'. Below the title, there is a 'Type of activity' dropdown menu set to 'Something else'. A link says 'Looking for a mass participation event? Switch to taking part in an event'. The 'Activity details' field contains 'School Fun Run'. The 'Date of activity (optional)' field contains '30 May 2023'. At the bottom, there are 'Back' and 'Next' buttons. A small note at the bottom states: 'JustGiving has 0% platform fees for donations. All funds will go direct to the charity.'

You can then customise your fundraising target, story and cover photo– make it personal to your school!

Decide what your fundraising web address will be – your school name will make it easier for parents and other donors to identify you – e.g. YourSchoolName2024.

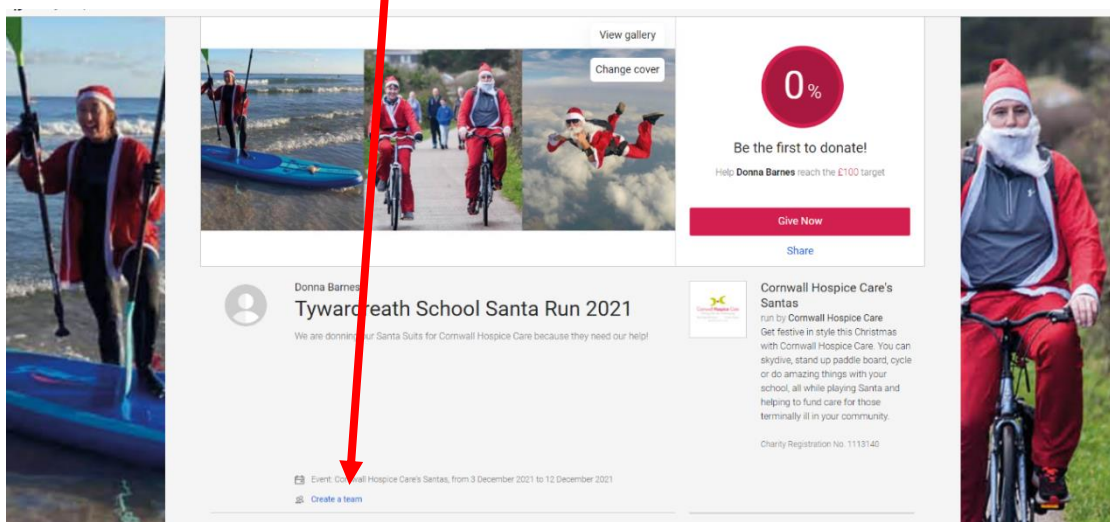

Then click through to the blue 'Launch my page' button and you're good to go!

Creating a Team

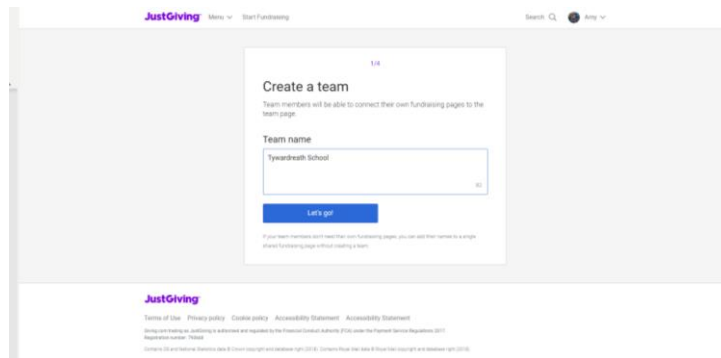

Your page is set up now – You can send the page link to parents so they can donate directly, or you can 'Create a Team'. Creating a Team will allow parents/pupils to set up individual pages connected to your page – this will show individual fundraising efforts as well as your overall school achievement. This means parents/pupils will be able to share their own pages to their social media, which is proven to boost your fundraising total!

To create a team:

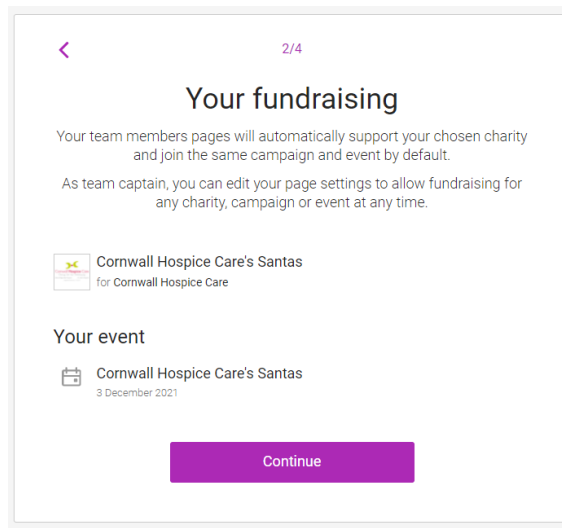

Click the blue 'Create a Team' link on your page.

This link will take you to a page that looks like this:

Give yourself a team name and click on the blue Let's Go button

Click 'Continue' and edit your team page as necessary:

Team story

This Christmas, I'm doing something extraordinary!

I'm celebrating in style and I've taken on a challenge to make it a Christmas to remember.

Your support will mean the world of difference to those families in our community facing a terminal illness this Christmas. Help me to keep Cornwall Hospice Care's nurses caring.
