Dear Supporters

As a loyal member of our Cornwall Hospice Care Lottery, you are one of our most important supporters.

The Lottery is one of our biggest sources of income annually, contributing more than £550,000 each year towards the cost of the care we provide at our hospices and in the community. As a Lottery player you help make our charity's work possible.

Thanks to you, our patients can receive specialist end of life nursing care helping to provide peace, comfort and calm at their time of greatest need. We are also able to care for their families at the most difficult of times, helping them to make every day matter and to create lasting memories together. Our services also extend to those who are struggling with bereavement through our Community Services.

For more than 19 years, supporters like you have played the Cornwall Hospice Care Lottery. There has been a draw every week, creating hundreds of £1,000 jackpot winners and tens of thousands more winners through our 50 x £5 weekly runners up prizes. Throughout, our Lottery has remained largely unchanged, so now it is time for us to make sure it can carry on for the next 19 years and beyond.

Firstly, we are updating our prizes. While you will still be in with a chance to win our top prize of £1,000 every week, our rollover prize will start at the higher level of £300 up to £3,000 and you will also have the opportunity to win 13 larger runners up prizes of 5 x £50 and 8 x £25.

As part of this review, we have also looked at the lottery ticket price. The cost of £1 per entry has been the same since our Lottery launched back in 2006, but our costs and services have grown considerably. We now need to find £6.9million a year to provide all the care we offer, money that comes almost entirely from people like you.

For these reasons we have had to make the carefully considered decision to increase the price per entry to £1.50 as of 1 May 2025.

As a valued supporter, we hope you understand the need for this change. We appreciate that times are tough for us all and that is why we are keeping the increase as low as possible.

By leaving a gift in your Will you become a guardian of our future and help make every day matter
